## About Residential Services

Accommodation is provided in the spirit of partnership with service users and their families. The service is underpinned by the Personal Outcome Measures Quality System, (POM).

*In partnership with day services/ employers and families we support our service users through:*

- *One to one key worker sessions*
- *Personal Outcome Interviews/ Individual Action Planning*
- *Regular contact with families/ significant others*
- *Training/ Community Programmes*

Residential Services works closely with the various support services such as psychologist, occupational therapist, physiotherapist, dietician, social worker and health co-ordinator.

The Keyworker provides a link between the service users, family and day service/ work.

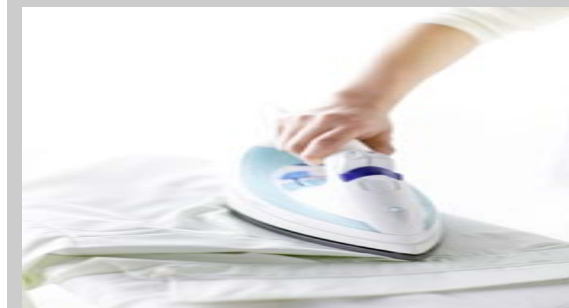

**We Aim to:**

- \* ***Promote the inclusion of people with intellectual disabilities in mainstream settings.***
- \* ***Advocate for each individual's unique talents.***
- \* ***Promote partnership between service users and communities.***
