

Early Services provide support for children up to their sixth birthday, with, or at risk of, a delay in their development.

The Early Services Team may include the following:

- Social Worker
- Speech and Language Therapist
- Nurse
- Physiotherapist
- Occupational Therapist
- Montessori Teacher
- Psychologist
- Care Assistants

Early Services meet the needs of children with, or at risk of, a delay in their development, including:

- Children who have an intellectual and physical disability
- Children with a sensory impairment
- Children with Down Syndrome, or other syndromes.
- Pre-term or very low birth weight infants

Early Services provide a home and centre based service, which may include the following:

- Home visits
- Parent and baby groups
- Pre pre-school groups
- Respite
- Parent coffee mornings
- Grandparent and sibling groups
