What is Hospitality?

Hospitality is an attitude of mind, a vision about life and all that life can be. It is a process, a journey, a good habit that improves with each encounter each time we are open to the practice of it whether in the receiving or the giving of it, it leads us to excellence. It is rooted in the deep respect we have for each other as persons made in the image and likeness of God an image en-fleshed in the person of Jesus.
